### **"Indispensable contribution"**

"We are very very grateful for the valuable contribution that these suppliers offer us," says Mart de Kruif, chairman of the Invictus Games The Hague 2020. "These companies are all specialised in matters that we desperately need to become a major event. In short, they make an indispensable contribution."

We believe that everyone should be able to enjoy and experience sports. That is why we are proud to contribute to the Invictus Games in our hometown, The Hague. The event is a unique combination between the funds that we support in the field of disabled sports and one of our charities that we support annually through our contributions; the V-Fonds. We are very much looking forward to this fantastic event that will show the Netherlands and the rest of the world the unique power of sports.’ says Joost Zuure, Head of Sponsorship & Beneficiaries at Dutch Lottery.

#### ABOUT INVICTUS GAMES THE HAGUE 2020

De Invictus Games is een internationaal sportevenement voor fysiek en/of mentaal gewonde militairen. De Invictus Games gebruikt de kracht van sport om herstel te stimuleren, revalidatie te ondersteunen en breder begrip en respect te genereren voor hen die hun land dienen of gediend hebben.

‘Invictus’ staat voor ‘onoverwonnen’. Het symboliseert de vechtlustige geest, van fysiek en/of mentaal gewonde militairen. Het laat zien wat je, ondanks je verwondingen, kunt bereiken.

Aan de Invictus Games, die van 9 tot 16 mei 2020 in Den Haag worden gehouden, doen 500 deelnemers mee, uit 19 verschillende landen. Zij zullen actief zijn in tien verschillende sporten.

Alle deelnemers mogen, op uitnodiging en kosten van de organisatie, twee vrienden of familieleden die hebben geholpen tijdens het revalidatieproces meenemen naar het evenement.

Iedere deelnemer aan de Invictus Games heeft zijn eigen verhaal, maar allen hebben ze de innerlijke kracht gevonden om door te gaan en zichzelf op te richten. Alleen, met hulp van familie en vrienden, maar altijd mede dankzij de kracht van sport.

The Invictus Games is an international adaptive sporting event for Wounded, Injured and Sick Servicemen and women, both serving and veteran. The Games use the power of sport to inspire recovery, support rehabilitation and generate a wider understanding and respect of all those who serve their country.

The word 'Invictus' means 'unconquered'. It embodies the fighting spirit of wounded, injured and sick Service personnel and personifies what these tenacious men and women can achieve post injury.

The Invictus Games is about much more than just sport – it captures hearts, challenges minds and changes lives.

The Invictus Games 2020 will be held in The Hague from 9 to 16 May and invites 500 competitors, from 19 different countries. They will participate in 10 different sports.

All competitors may bring two friends or family members who have helped during the rehabilitation process, at the invitation and expense of the organization.

The participants all have their own story of physical and/or psychological injury or illness. But all of them have found the inner strength to go on and reinvent themselves. Sometimes alone, often with the help of family and friends, but always through the power of sport. The Invictus Games The Hague 2020 is *the* platform to share their stories and add another chapter to their book of life.
