TOUR OF WATOPIA LIVE // STAGE 4: JUNGLE CIRCUIT

WATCH THE MEN RETURN AS JONATHAN LEVIE OF KISS RACING TEAM DEFENDS HIS YELLOW JERSEY THROUGH THE DIRT OF THE JUNGLE CIRCUIT

The penultimate race of the Tour of Watopia is being held on Friday 20 March at 7.00pm GMT with the men heading to the jungle circuit. This is the first major event on the Jungle Circuit since rolling resistance was introduced which makes bike choice fundamental for the riders as they head to the dirt.

The teams include the NTT Continental Cycling Team, Canyon ZCC, Team [DRAFT] and KISS Racing Team. Both Men's and Women's races will be held with a full broadcast production hosted by Esports presenter and Zwifter, OJ Borg alongside special guest presenters.

Tour of Watopia is the first Tour for Zwift with a series leader, who rides in the yellow jersey. The series leader is determined by who has the most combined points from all the races. Current series leader, Levie will have all the riders watching his every move as he looks to keep his points lead or will Ryan Larson of Indoor Specialist be able to catch his lead?

Previous Zwift Academy winner, Ollie Jones, will be representing Canyon ZCC, the first professional esports team. He is in strong form having finished fifth in this year's New Zealand National Championships. Zwift Academy finalist Alex West also represents the Canyon ZCC team and will be racing alongside Jones. Canyon ZCC are always a team to watch with Mary Wilkinson, storming away with the points and yellow jersey, with a 24 point lead in the women's series.

Watch the race [here](#) and get recaps of the previous races [here](#).

Want more racing? Also on Friday, the World Tour team, Mitchelton-Scott, will be combining their men's and women's squads for an exhibition mixed-team race through Crit City. Watch it tomorrow at 9.00am GMT [here](#).

ABOUT ZWIFT

Zwift is the indoor training phenomenon taking the world by storm. An online platform helping everyone meet their fitness goals while having tons of fun along the way. Engaging gameplay meets fitness meets a global community of cyclists and runners. The result? Serious training made fun.

Meet new friends. Make new rivals. Ride up mountains. Run through jungles. Sprint through real roads made virtual or cruise across futuristic cities. Fun, flexible year-round training becomes the new normal with Zwift.

Build strengths and smash weaknesses with thousands of workouts. Train day or night, no matter the weather, and close the gap between where you are and where you want to be. Looking for something more specific? Flexible training plans by world-class coaches adjust to your schedule and help get you ready for race day.
