Z PRO TRI SERIES RETURNS IN FEBRUARY WITH NEW FORMAT

FOR THE FIRST TIME ATHLETES WILL TACKLE A ZWIFT DUATHLON

Zwift, the global online training and racing platform, is bringing back the Z PRO TRI Race Series this February. Watch the pros over a four week race series starting 3rd February as they take on a Zwift duathlon for the first time in the Z PRO TRI Race series.

The new series will be run as a bike-run-bike format. Racers will start with an Individual Time Trial before transitioning to a Run Race with the final leg being a Points Race. A variety of courses throughout the series will test the all-round abilities of the racers. “I’m excited to see how the run shakes up the competition,” says Tim Don, 2x Ironman Winner. “The final leg of the race will be brutal with a hard run in the legs as well as an explosive start on the bike, bring it on!”

Triathlon fans will be able to tune in and watch the pro's compete each week. Races will be broadcast with commentary provided by Matt Lieto and Sarah True. More information on the Race Series including how to watch can be found [here](#).
