ABOUT ZWIFT

Zwift is the fitness company born from gaming. We're dedicated fitness enthusiasts, experienced video game developers, and disruptive thinkers. Play is in our DNA and we know fun fuels results.

Zwift utilizes massively multiplayer online gaming technology to create rich, 3D worlds ripe for exploration. Join thousands of cyclists and runners in immersive playgrounds like London, New York, and Paris as well as our very own Watopia.

Our app connects wirelessly to exercise equipment: bike trainers, treadmills, and more, so your real world effort powers your avatar in the game.

From friendly races to social rides and structured training programs, Zwift unites a diverse community in pursuit of a more fun, immersive and social fitness experience.
