## Achter de schermen in de dierentuin

Bezoekers of niet, het leven in de dierentuin gaat natuurlijk gewoon door. De verzorgers van [GaiaZOO](#) nemen je mee achter de schermen. Zo kan je meekijken met het voederen van de giraffen. Of kijk een van de andere live-video's terug en zie bijvoorbeeld hoe de gorilla's hun lunch verorberen.

### OVER FACEBOOK

#### **Our Principles**

Our principles are what we stand for. They are beliefs we hold deeply and make tradeoffs to pursue.

##### Give People a Voice

People deserve to be heard and to have a voice — even when that means defending the right of people we disagree with.

##### Build Connection and Community

Our services help people connect, and when they're at their best, they bring people closer together.

##### Serve Everyone

We work to make technology accessible to everyone, and our business model is ads so our services can be free.

##### Keep People Safe and Protect Privacy

We have a responsibility to promote the best of what people can do together by keeping people safe and preventing harm.

##### Promote Economic Opportunity

Our tools level the playing field so businesses grow, create jobs and strengthen the economy.
