## Knutselen met Museum Veere

Knutselen je kinderen wat af in deze thuisblijftijd? Dan maak je ze vast blij met de workshops van [Museum Veere](#). Elke maandag post het museum een nieuw verhaal op Facebook en Instagram, waarin ze kinderen stap voor stap meenemen in het creëren van kunst. Een nieuwe uitdaging, daar zijn ze wel even zoet mee. En met het resultaat kunnen ze online pronken via de hashtag #thuiswerkplaats.

### OVER FACEBOOK

#### **Our Principles**

Our principles are what we stand for. They are beliefs we hold deeply and make tradeoffs to pursue.

##### Give People a Voice

People deserve to be heard and to have a voice — even when that means defending the right of people we disagree with.

##### Build Connection and Community

Our services help people connect, and when they're at their best, they bring people closer together.

##### Serve Everyone

We work to make technology accessible to everyone, and our business model is ads so our services can be free.

##### Keep People Safe and Protect Privacy

We have a responsibility to promote the best of what people can do together by keeping people safe and preventing harm.

##### Promote Economic Opportunity

Our tools level the playing field so businesses grow, create jobs and strengthen the economy.
