Reward your sense of adventure with a rugged, land-anywhere aircraft. The Cessna® Grand Caravan EX® turboprop can take up to 14 of your family and friends away from it all, turning weekends from average to instantly memorable. The Cessna® Grand Caravan EX® turboprop is the go-to regional airline, charter operation or cargo carrier for its dependable, efficient nature. Optional amphibious floats give you greater access to remote locations. Uncompromising speed and payload mean you get more from every trip.

FULLY LOADED

A fully integrated flight deck with the Garmin® G1000® NXi at the center. The high-resolution displays and graphical interface improve situational awareness and operational efficiencies. Garmin® enhanced automatic flight control system (E-AFCS) with Electronic Stability and Protection (ESP) and Underspeed Protection (USP) and emergency descent mode is optional.

AND OVERSIZE LOADED

Maximize flights with nearly 3,200 lb of payload. Even larger loads? Not a problem. Take more with a wide cargo door and an optional cargo pod for extra space.

LAND, SEA OR SKY

Amphibious floats allow access to the most remote areas of the world.
