Bringing the world of Cessna and Beechcraft to Microsoft Flight Simulator 2020

How did the most intricate details behind our aircraft get into the new edition of Microsoft Flight Simulator?

Go behind-the-scenes with members of the Textron Aviation team and learn how they worked firsthand with Microsoft Flight Simulator developers to bring a new level of realism and accuracy to the Cessna and Beechcraft aircraft available to fly.

ABOUT TEXTRON AVIATION

About Textron Aviation

We inspire the journey of flight. For more than 90 years, Textron Aviation Inc., a Textron Inc. company, has empowered our collective talent across the Beechcraft, Cessna and Hawker brands to design and deliver the best aviation experience for our customers. With a range that includes everything from business jets, turboprops, and high-performance pistons, to special mission, military trainer and defense products, Textron Aviation has the most versatile and comprehensive aviation product portfolio in the world and a workforce that has produced more than half of all general aviation aircraft worldwide. Customers in more than 170 countries rely on our legendary performance, reliability and versatility, along with our trusted global customer service network, for affordable and flexible flight.
