Women in Aviation: We can't afford to lose them

Textron Aviation's Kriya Shortt, senior vice president, Global Parts Distribution and Programs, led a virtual panel session with aviation leaders during NBAA GO Virtual Business Aviation Convention & Exhibition (VBACE) to discuss how the industry is continuing to recruit and support women during a global pandemic.

Watch the video below to learn more about how women within the aviation industry are coming together and paving the way for future female aviators.
