Women Uplifting Women: How Three Women in Aviation Feel Inspired

Behind every powerful woman is another woman who inspired them. As we close out Women's History Month, three employees talk about the legendary women who motivate them to fearlessly charge forward in their careers.

Laure Puntel-DeCarlo, a purchasing specialist, feels inspired by Joan of Arc for her ability to stand up against all odds for what is right.

Pili Barker, a leader in Special Missions, admires the Co-founder of Beech Aircraft Corporation Olive Ann Beech because she opened doors for other women in aviation and her legacy lives on in women at Textron Aviation today.

"You can be a mother, you can work full time, you can be CEO. There are no boundaries"

— Channing Dionisopoulos', Manager, Information Technology

Channing Dionisopoulos', a manager in information technology, spoke of Whitney Wolfe Herd, the founder CEO of Bumble, who went public with her company in February 2021.
