Textron Aviation Live at Oshkosh - Day 3

Textron Aviation returned to its first in-person show with a wide-range of its leading business jets, turboprops and high-performance pistons on display at the Experimental Aircraft Association (EAA) AirVenture Convention in Oshkosh, Wisconsin.

Hear the latest news and meet some Cessna and Beechcraft friends in this Textron Aviation Live at Oshkosh broadcast.

Just tuning in? Catch up on Day 1 and Day 2.
