# Textron Aviation on Location at NBAA-BACE – Day 1

Textron Aviation returned to the National Business Aviation Association - Business Aviation Convention & Exhibition (NBAA-BACE) show this week with a wide range of industry-leading Cessna and Beechcraft aircraft on display.

Take a look around the show and hear the latest news about Cessna and Beechcraft products in this Textron Aviation on Location broadcast.

The company kicked off the industry event with several exciting announcements, including:

- Unveiling the next generation Cessna Citation M2 Gen2 and Citation XLS Gen2
- Revealing a new special-edition aircraft design and collaboration with the U.S. Ski & Snowboard team
- Renewing the company's commitment to green power and sustainable business practices

Follow along during NBAA-BACE 2021 for more exciting updates.
