

Cultivating Transformational Change for Youth

Wings for Dreams continued setting records by raising more than \$4.2 million last week for Kansas Big Brothers Big Sisters, a non-profit organization focused on matching caring adult mentors with youth facing adversity.

Since its inception in 2015, Wings for Dreams has raised over \$14 million for vital, youth-focused organizations. The success of this event would not be possible without the continued support of legendary advocates who contribute their time, funds and passion to help youth emerge into brighter futures.

With the funds raised, Kansas Big Brothers and Big Sisters can support even more meaningful, monitored matches between adults and children ages 5 through 17. These positive relationships have a direct and lasting effect on the lives of hundreds of young people.

Big Brothers Big Sisters is the largest volunteer-supported mentoring network in Kansas and Textron Aviation is proud to be a supporter.
