LYNK & CO

A photograph of a modern, industrial-style interior. The ceiling features large, metallic, corrugated pipes. In the foreground, there's a ping pong table. To the right, there's a bar area with dark wooden shelves displaying various items. A large, round, illuminated light fixture hangs from the ceiling. The overall aesthetic is clean, minimalist, and contemporary.

Lynk & Co has always been about more than just mobility—it's a way to connect with the community. That's why, rather than tossing some boring branded merchandise on our website, we've chosen to curate a selection of interesting products by independent local partners. Each partner was chosen because they aligned with the things that are important to us: creativity, sustainability, and uplifting our communities.

Items from these Belgian brands will be available in Lynk & Co Clubs, including the Antwerp Club.
