Rangers stores to reopen doors on April 26

Lifting of restrictions means fans can browse merchandise from historic 2020-21 season in person

Liverpool, Monday April 19, 2021: FOR IMMEDIATE RELEASE. Rangers and Castore are looking forward to again welcoming supporters through the doors of their Ibrox Stadium and Buchanan Street stores when restrictions ease on Monday, April 26.

This means that supporters will finally be able to browse in-person merchandise from what has become a historic 2020/21 season, including the exclusive Champions collection, celebrating Rangers' world record 55th league title.

The in-store experience for fans at Ibrox and in Glasgow City Centre will soon be replicated with new stores in Belfast and Glasgow Airport.

Both the club and Castore are well aware of the demand from the thousands of incredibly loyal Rangers supporters in Northern Ireland, and we are delighted to be bringing an official club store to a prominent location in Belfast City Centre in the very near future.

As the world begins to open up again, and supporters join the team on a gripping Champions League journey next season, an official club store will open within club partner Glasgow Airport, too.

All stores will be stocked for the launch of the brand new Castore Rangers kits for the 2021-22 season.
