Stadler Form presents five gift ideas for Christmas

Winter is coming, bringing the quiet Advent season, a time to enjoy peaceful moments. A gentle fragrance fills the room, creating a calming, cosy atmosphere while the snow falls softly outside. The aroma diffusers from Stadler Form help create exactly this feel-good ambience. Sophie, Nora, Ella and Lucy impress with modern technology and stylish design, and together with the matching essential oil, transform every home into a relaxing, fragrant oasis. Whether as a gift for a loved one or for yourself, these roommates from Stadler Form combine functionality and aesthetics. The best thing about them: they are available in a range of prices.

Gift idea <100 CHF: Sophie & Sophie little, the 2-in-1 aroma diffuser and lantern

Sophie and Sophie little from Stadler Form are aroma diffusers and lanterns in one. With their elegant design and natural bamboo handle, they are not only an aesthetic highlight but can also be placed anywhere desired. The warm Amber Light™ creates an atmospheric play of flames, while the ultrasonic technology disperses fragrance almost silently as a fine mist. They are the perfect combination of scent and light, ideal for transforming living spaces or covered terraces into a Christmas wonderland.

Equipped with a light sensor that switches Ella on or off depending on the current light conditions, three intensity levels, and a long battery life of around 10 days, Ella offers maximum flexibility.

Gift idea <50 CHF: Lucy, the radiant aroma diffuser lady

The deceptively realistic flame effect makes Lucy an indispensable accessory for frosty winter evenings and the holiday season. She creates a particularly atmospheric effect on a festively decorated table. Lucy bathes the room in a soft light and fills it with a subtle scent, which is distributed by ultrasonic technology as a fine mist of essential oils. As she can be operated by a rechargeable battery, she can be placed anywhere in the house.

Holidays can also be stressful, making it even more important to relax during this time. The essential oils from Stadler Form are 100 % pure and sustainably produced. Recharge and Retreat exude a particularly wintry atmosphere. With notes of fir and pine, Recharge fills the room with a tart scent reminiscent of walks in a snowy forest. Retreat, on the other hand, combines oranges and cloves and has a warming and mood-lifting effect.
