

Just Eat Takeaway.com digital Gift Cards now available

Just Eat Takeaway.com, one of the world's largest online food delivery groups, introduces digital Gift Cards. The cards are now available in The Netherlands, Germany, Poland, Germany, Austria, Belgium, France and Switzerland.

No matter if your loved ones fancy a poke bowl, pizza or salad - they can choose their favorite food and food moment to spend the gift card. Gift cards are available from 20 euros (or local equivalent) and will be available in the webshops.

How does it work?

Customers can easily redeem the gift cards via the “redeem voucher” field at the payment page after placing an order in the app or via the browser. The voucher code will have a fixed amount and it will subtract from the total value of the customer's basket. The voucher can be used multiple times until credit is exhausted.
