GTA Launches #GivingTuesday Every Tuesday Holiday Campaign

Tamuning, Guam, Monday, November 29, 2021- On Giving Tuesday, November 30, GTA is launching “#GivingTuesday Every Tuesday,” a holiday giving campaign to last through the end of the year. Efforts will support local non-profit organizations that continue to help our island community.

#GivingTuesday Every Tuesday helps five local charities near and dear to the hearts of customers and employees, truly making this a season of giving. Each Tuesday, GTA will announce a new non-profit organization to support. Beneficiaries this year include Erica's House, Special Olympics Guam, Make A Wish Foundation, Rainbows for All Children, and Guam Animals in Need (GAIN).

Nathan Denight, Vice President of Marketing, says, “#GivingTuesday Every Tuesday is our way of giving back to the community this holiday season and is part of our overall GTA Gives initiative. We were inspired by the #GivingTuesday global movement and decided to extend it throughout the rest of the year. Please visit any of our GTA stores to donate and not only will GTA match your donation, but you will also be entered to win one of five iPhone 13s.”

Visit GTA retail locations, donate \$5, and GTA will match up to \$2,500 per chosen organization. Each week, donors will also have a chance to win an iPhone 13 courtesy of GTA.

To see how you can give, visit us at www.gta.net/give for more details, and for more information on #GivingTuesday, visit www.givingtuesday.org.

About GTA

GTA provides complete communications services in Guam. These include local and long-distance telephone service, 3G and LTE mobility service, High-Speed Internet Access, Dedicated Ethernet, Carrier-Class High Capacity Services over SONET and SDH networks, and advanced television, or IPTV.

GTA operates a data center on Guam, offering a secure, managed environment for customers who need an alternative site for business data storage. The company also runs Guam’s first locally owned Cable Landing Station completed in 2017 and recently completed the Gateway Network Connection in Piti.

Based in Tamuning, Guam, GTA is a U.S. and locally owned company and locally managed. The company’s website is www.gta.net.
