## GTA Pays it Forward on #GivingTuesday, Donates to Frontline Workers at GMH

Tamuning, Guam, Tuesday, November 30, 2021- GTA took part in the global giving movement by supporting our frontline workers at the Guam Memorial Hospital.

On Giving Tuesday, the local telecom company donated coffee and snacks to keep hospital staff fed and energized throughout the day. Frontline workers have been working tirelessly to keep the island community safe and healthy since the onset of the COVID-19 pandemic.

This is just one way GTA took part in Giving Tuesday. The company curated GTA Kindness Kits for employees who paid it forward at local grocery stores, drive thru restaurants, and coffee shops by spreading kindness. The kits were tools to help employees unleash generosity and delight our communities.
