

GTA Continues Mobile Manåmko' Workshops to Support Guam's Seniors

(Tamuning, Guam) Monday, June 22, 2026– GTA recently hosted another Mobile Manåmko' workshop on Wednesday, June 17, at the Tamuning Senior Center, continuing a program that has helped Guam's manåmko' stay connected and confident with technology for the past three years.

The free workshops provide seniors with hands-on assistance, technology tips, and support for their mobile devices in a welcoming and easy-to-understand environment. Through Mobile Manåmko', GTA team members work directly with participants to answer questions, troubleshoot issues, and help them make the most of their devices.

Upcoming Mobile Manåmko' workshops include:

- **July 1** – Astumbo Senior Center | 11 a.m. – 12 p.m.
- **July 16** – Hågat Senior Center | 11 a.m. – 12 p.m.
- **August 5** – Sinajana Senior Center | 11 a.m. – 12 p.m.
- **August 26** – Santa Rita Senior Center | 12 p.m. – 1 p.m.
- **November 4** – Dededo Senior Center | 11 a.m. – 12 p.m.
- **November 18** – Yigo Senior Center | 11 a.m. – 12 p.m.

GTA remains committed to supporting Guam's seniors through programs that promote digital literacy, connection, and community engagement.

About GTA

GTA is Guam's leading telecommunications provider, delivering advanced connectivity solutions for residential, business, and government customers across the island. GTA's services include high-speed fiber internet, 5G wireless mobility, and advanced voice and data services for business and carrier customers that support critical infrastructure, enterprise operations, and everyday communications.

GTA operates secure, locally managed data center facilities on Guam and plays a key role in the island's digital ecosystem through ownership and operation of Guam's first locally owned cable landing station and data center in Piti. GTA operates three data centers, with its newest facility, GU3 in Alupang, set to be completed in Q1 2026. Together with its subsea cable investments and network infrastructure, these facilities strengthen Guam's position as a strategic digital gateway in the Pacific while ensuring reliable, resilient connectivity for the community.

Based in Tamuning, Guam, GTA is a U.S.-owned, locally managed company with nearly 75 years of service to Guam and a long-standing commitment to advancing the island's digital future.
