

GTA Named a Finalist for U.S. Chamber of Commerce Foundation's 2026 Citizens Awards

(Tamuning, Guam) Thursday, September 17, 2026— The U.S. Chamber of Commerce Foundation named GTA a finalist in the 2026 Citizens Awards, a long-standing program that honors businesses for their leadership in solving the world's biggest challenges. GTA was nominated for the Best Corporate Steward - Small and Middle Market Business for its efforts to strengthen Guam through GTA Gives, its community giving and engagement program, charitable donations, employee volunteerism, community partnerships, and programs supporting local nonprofits, youth, families, and elderly/manåmko'.

Sharon Davis, Senior Vice President of Community Relations and Enterprise Sales, says, "Being nominated for the U.S. Chamber of Commerce Citizens Award is an incredible honor, not only for GTA, but for Guam. To have the work we do in our island community recognized on a national level is something we're incredibly proud of. It's a reflection of the heart of our people and our commitment to giving back and making Guam stronger."

This prestigious program recognizes the most innovative and impactful initiatives that leverage a company's talent, resources, and expertise to improve communities.

GTA Gives is GTA's community giving and engagement program, reflecting the company's commitment to Guam after nearly 75 years of connecting the island as a full-service telecommunications provider. Through charitable giving, employee volunteerism, community partnerships, and programs supporting local youth, elderly/manåmko', families, and nonprofits, GTA Gives helps strengthen the community it proudly calls home.

The winners of the 2026 Citizens Awards will be announced during the U.S. Chamber of Commerce Foundation's Business Solves Conference on October 27-28. Learn more about the awards program and register to attend the event [here](#).

About GTA

GTA is Guam's leading telecommunications provider, delivering advanced connectivity solutions for residential, business, and government customers across the island. GTA's services include high-speed fiber internet, 5G wireless mobility, and advanced voice and data services for business and carrier customers that support critical infrastructure, enterprise operations, and everyday communications.

GTA operates secure, locally managed data center facilities on Guam and plays a key role in the island's digital ecosystem through its ownership and operation of Guam's first locally owned cable landing station and data center in Piti. GTA operates four data centers—GU1, GU2, and GU3 on Guam, and HMB IX in Hermosa Beach, California. Together with its subsea cable investments and extensive network infrastructure, these facilities strengthen Guam's position as a strategic digital gateway in the Pacific while supporting reliable, resilient connectivity for the community.

Based in Tamuning, Guam, GTA is a U.S.-owned, locally managed company with nearly 75 years of service to Guam and a long-standing commitment to advancing the island's digital future.
