Remote ranked as a leader in Multi-country Payroll by G2 users in 2022 Summer Report

Based on reviews from hundreds of users, Remote's multi-country payroll services rank #1

Remote, a leader in building, managing and supporting global, distributed workforces, today announced they ranked number one in the [Multi-country Payroll category for Summer 2022](#) by G2. This is the second quarter in a row that Remote has been recognized as a leader, having first been acknowledged for excellence in G2's Spring 2022 Report.

G2, the largest and most trusted tech marketplace, allows real users to give honest, unbiased reviews on products and services they use every day. To be recognized as a category leader in the grid report, products must be highly rated by users, and have substantial Market Presence scores.

Hundreds of G2 users ranked Remote with top scores across the board, from ease of use to quality of support. Remote received the following scores:

- 95% rating for ease of use
- 95% rating for governance
- 94% rating for quality of support
- 93% of users rating us 4 or 5 stars

One user review, GM, Compliance & Data Protection Officer states:

“Remote are doing what others have attempted to do for so long: simplify and make the processing of Employer of Record services easy. Remote, in my personal opinion, is way out in front of any competitor. Not that there are any close to them at all. Onboarding, payments, extras, are all so easy and can be done at the click of a button. Saving time and money.”
