# In the News: Pentatonic + LANXESS + CompositesWorld

December 3, 2021

As we continue to boast about the benefits of Pentatonic, our partnership with specialty chemicals company [LANXESS](#) is a crucial project in demonstrating the advantages of thermoplastics over metal in terms of with and cost reduction, functional integration, and electrical insulation behavior.

Our partnership was featured on CompositesWorld, we invite you to read the article at the link [here](#).

## ABOUT KAUTEX

FROM MANY COMES ONE

### [Mission Vision 2025](#)

With more than 30 facilities in 14 countries, we are one of the 100 largest automotive suppliers in the world in terms of sales volume. Well-positioned as the partner of choice for our customers, we develop and produce blow-molded fuel systems, selective catalytic reduction systems, clear vision systems, engine camshafts, and plastic industrial packaging solutions.

From the first blow-mold machine in 1949 to our latest full plastic hybrid tank, we have maintained a “first to market” trend with regards to our products and innovation.
