ABOUT KAUTEX

FROM MANY COMES ONE

[Mission Vision 2025](#)

With more than 30 facilities in 14 countries, we are one of the 100 largest automotive suppliers in the world in terms of sales volume. Well-positioned as the partner of choice for our customers, we develop and produce blow-molded fuel systems, selective catalytic reduction systems, clear vision systems, engine camshafts, and plastic industrial packaging solutions.

From the first blow-mold machine in 1949 to our latest full plastic hybrid tank, we have maintained a “first to market” trend with regards to our products and innovation.
