# Stranger Things: The Experience Brings the Upside Down to Toronto this Spring

Fans of the global phenomenon Netflix series Stranger Things will get a chance to unlock their powers and help Eleven save Hawkins

**Toronto, ON (February 15, 2023)** — The year is 1986. The town is Hawkins. But the location is Toronto. Netflix and leading global live-entertainment discovery platform Fever have teamed up to deliver ***Stranger Things: The Experience***, a new immersive experience which opens at Cinespace Studios Marine Terminal in Toronto on March 31, 2023. With this experience, fans are thrown into a world of supernatural mystery, enduring friendships, and '80s nostalgia in an atmospheric celebration of the Stranger Things universe.

Guests are taken on a perilous adventure through the darker side of Hawkins, including the infamous Hawkins National Lab and the Upside Down. This brand new storyline, developed exclusively with the show's creators, propels guests into a parallel universe where they must run the gauntlet of terrors lurking in the dark and unlock their secret powers to help save the town. With the gang's hometown on the line, there's room in Hawkins for heroes of all ages (5+) to work together to save the day.

After their escape from the Upside Down, guests will be free to explore Mix-Tape, where they can meet real-life characters from the Stranger Things world, grab a USS Butterscotch sundae at Scoops Ahoy, attempt to knock off MADMAX's high score, sample a tasty pie from Surfer Boy Pizza, try a unique cocktail at the first ever Stranger Things-themed bar, snatch up exclusive merchandise, and even get up close and personal with Vecna himself.

Join the waitlist now for the chance to purchase tickets before anyone else! Sales will open to the general public starting February 21. Tickets are limited and can be purchased in advance by visiting [strangerthings-experience.com/toronto](https://strangerthings-experience.com/toronto).
