# Art Of The Brick Makes Its North Carolina Debut In Raleigh

The Highly Acclaimed Exhibition Features More Than 90 Sculptures Made With Over One Million LEGO® bricks

**Raleigh, NC, April 18, 2023** – Following the roaring success of Van Gogh: The Immersive Experience in Raleigh, Exhibition Hub, a pioneer in traveling, immersive entertainment, and Fever, the leading global live-entertainment discovery platform, are bringing Nathan Sawaya's breathtaking Art of the Brick Exhibit to North Carolina with its debut in Pleasant Valley Promenade. Named a CNN Top 10 "Global Must-See Exhibition", showcasing the world's most popular display of LEGO® art, tickets for Art of The Brick are on sale now.

Through the exhibition, visitors of all ages will marvel at over one million LEGO® bricks as they are transformed into more than 90 sculptures by artist Nathan Sawaya. The critically acclaimed collection making its way through Raleigh includes original artist sculptures as well as re-imaged versions of some of the world's most famous artistic masterpieces like Michelangelo's David, Van Gogh's Starry Night, and Da Vinci's Mona Lisa.

The exhibition is brought to Raleigh following its huge success in over 100 cities in 24 countries abroad, having been visited by over seven million people. Additional exhibit highlights include a 20-foot T-Rex skeleton and an innovative LEGO® multimedia collection produced together with award-winning photographer Dean West.

Exhibition Hub is the company behind the wildly popular Van Gogh: The Immersive Experience, Claude Monet: The Immersive Experience, Dinos Alive: An Immersive Experience, and the new, international smash hit Bubble World.

Tickets for Art of the Brick are available now on Fever's marketplace.
