

Legendary, Warner Bros., Fever to Debut **DUNE: The Experience** in Los Angeles

Step inside the world, artistry, and spectacle of the Dune motion picture trilogy in a new immersive experience, open this November to promote the upcoming release of Dune: Part Three.

Los Angeles, September 30, 2026 – Legendary Entertainment and Warner Bros. Pictures have joined with Fever in a promotional partnership to bring an unprecedented experience into the world of Dune to Los Angeles. Promoting the release of Dune: Part Three, the epic final chapter of Denis Villeneuve’s acclaimed film trilogy, this limited-time experience offers fans a new way to journey to the iconic desert planet of Arrakis.

Created to celebrate the Dune film trilogy and build excitement for the upcoming theatrical release of Dune: Part Three, [DUNE: The Experience](#) invites film enthusiasts, fans, and first-time visitors alike, to journey through the world of Dune, blending

interactive storytelling, iconic environments, cinematic soundscapes, and striking visuals that move them from observers to participants as they travel across the Dune motion picture trilogy. Attendees can step into an atmosphere built to be touched, heard, and felt firsthand, with opportunities to test themselves against the Bene Gesserit, discover hidden messages within ancient carvings, claim Paul Atreides' throne, and capture an unforgettable photo moment with a colossal sandworm.

Woven throughout the journey is a rare collection of original costumes, authentic props, weapons, vehicles, and production artifacts spanning Denis Villeneuve's Dune motion picture trilogy. The collection offers guests a closer look at the extraordinary craftsmanship and visual world-building behind the films.

Themed food and beverage, curated retail, and photo-worthy set pieces extend the journey, creating further opportunities for guests to explore, gather, and share their experience.

DUNE: The Experience will debut in Los Angeles this November in support of the theatrical release of Dune: Part Three, with the waitlist now open through the Fever app and website. Additional cities will be announced at a later date.

Dune: Part Three opens only in theaters and IMAX® across North America on December 18, 2026.
