***London 10th January, 2024*** - Fever's Candlelight concert series are bringing special Valentine's Day shows to Liverpool. From 17/02, Southwark Cathedral will be illuminated by

thousands of candles, inviting viewers to fully immerse themselves in themed musical programs featuring tracks from romantic moments in a range of well-loved films as well as other romantic melodies, including *I Will Always Love You* - Whitney Houston, *Your Song* - Elton John, *City of Stars* - La La Land , *Shallow* - A Star Is Born, *Can You Feel The Love Tonight* - The Lion King and more. Played by a local string quartet, the show invites guests to share an intimate and unforgettable moment and express love through music.

Candlelight Concerts are a series of original music concerts created by Fever aimed at democratizing the access to classical music. This innovative format represents a unique live musical experience through a varied offer of programs to meet all tastes, played by local musicians, in emblematic venues, with the space and performers illuminated by thousands of candles.

Candlelight was initially conceived as a classical music series with concerts featuring works from the greatest composers, such as Vivaldi, Mozart, and Chopin. Now, the ever-growing list of programs includes a wide variety of themes and genres, including tributes to contemporary artists like Queen, ABBA, Coldplay, and Ed Sheeran, as well as shows dedicated to anime, movie soundtracks and many more. This multi-sensory experience has also evolved to feature different elements, such as ballet dancers or aerial performers, as well as other genres, such as jazz, soul, opera, flamenco and more.
