

Explore BetUS' Wide Range of Politics Markets

Many traditional sportsbooks do not offer politics odds; however, BetUS not only offers them, but also our menu of politics betting odds is the most extensive in the industry.

We embrace the passion political junkies have for their elected officials by providing a safe and secure site to place those wagers as the world of politics continues to turn.

Bet on Politics at BetUS

Those who like to bet on politics are often confounded when seeking a trustworthy site to place those wagers. BetUS welcomes everyone who wants to have a vested interest in political races, not only in the United States but also around the globe, as we offer [election betting odds](#) coupled with political props on the US Supreme Court, as well as primary and caucus specials, and even on political figures themselves.

In short, we are no strangers to political bets, and the moneylines we offer will change with the legislative winds of fortune, just as they do in the world of sports.

Current polls are often an excellent place to begin researching candidates and political questions, but keeping abreast of public sentiment and understanding how it can shift is also an important tool in determining the most likely outcomes.

BetUS runs the gamut, from offering political betting odds on presidential and parliamentary elections in Albania to Zambia and many others in between. Referendums in Canada and mayoral contests in the US are also included in our comprehensive menu of political offerings.

Among our many political props, the following are found to be the most popular:

- U.S. Presidential Election Winner
- Political Party to Win the Presidency

- Electoral College Winner
- Popular Vote Winner
- Individual State Election Results
- U.S. Senate Majority
- U.S. House Majority
- Governor Elections
- Supreme Court and Cabinet Appointment Odds
- Political Proposition Bets
- Long-Term Election Futures

Because political markets can react quickly to campaign developments and political breaking news, bettors not only need to monitor polling trends but also candidates' announcements, fundraising reports, debates, and legislative activity when evaluating potential wagering opportunities.

As odds move throughout the election cycle, customers have multiple opportunities to identify value before major political milestones.

Our political and novelty prop menus have resonated with many who may not otherwise wager on a myriad of sporting events we offer.

Betting on politics shouldn't be hard to find, and at BetUS, we do it bigger and better than anyone in the gaming industry. This is why we welcome everyone to experience the BetUS difference for themselves.
