

BetUS Offers NFL Futures Odds Before the Season Begins

It won't be long before the NFL schedule arrives, but it is never too early for **BetUS's NFL future betting odds**. We have an entire section of NFL odds predictions on everything from individual awards to Super Bowl matchups. At BetUS, it is never too early to get a jump start on America's favorite sport.

Futures Betting at BetUS

Spending an action-packed Sunday watching NFL games on television has become an entrenched part of American culture, but there is no need to wait until the regular season kicks off to make a bet on what will happen this season.

[BetUS's expansive NFL futures menu](#) offers NFL betting odds, ensuring action throughout the season with just one preseason bet. Some of the best bets fans can place before the season include individual awards like the Offensive and Defensive Rookie of the Year Awards, Most Valuable Player, and even Coach of the Year.

But that is just the tip of the iceberg because BetUS has NFL futures available on all the following categories:

- NFL Conference Futures
- NFL Division Futures
- NFL Supplemental Draft Futures
- NFL Player Stats Futures (including passing yards and touchdowns, receiving yards and touchdowns, rushing yards and touchdowns)
- Odds on each team to make the playoffs
- NFL Regular Season Wins Futures
- NFL Season Specials Futures (odds on teams with the fewest wins and teams with the most wins)

- NFL Super Bowl LXI Matchups Futures (odds available on the exact Super Bowl matchup)
- NFL Super Bowl Specials Futures (winning conference, division, and state are all available)
- [NFL Super Bowl Winner Futures](#)

Now is an ideal time to place NFL futures bets because once the season starts, the odds will swiftly change, and what could have been a preseason bet with odds of +1500 can suddenly plummet to +300 once that wager begins trending in the right direction. Why lose value when bets can be made right now?

Another one of the reasons why NFL futures are so compelling is that they last an entire season. A wager on a team to win its division, conference, or even the Super Bowl is live until the end of the regular season. BetUS understands the appeal and even has a section of [NFL expert picks](#) devoted to assessing a team's chances for the upcoming season.

Who will make NFL news this season? Before trading for the invincible Myles Garrett, the LA Rams had NFL Super Bowl futures odds that were much higher than the current +550, which now makes them the favorite to win the Lombardi Trophy this year.

It is all about getting the best value, the biggest bang for one's betting buck, and BetUS has a veritable smorgasbord of NFL futures categories. We welcome everyone to experience the BetUS difference before the NFL season begins and during the season, offering a betting menu replete with point spreads, moneylines, totals, player props, team props, and live betting on every NFL preseason and regular season game on the board.
