MITB Odds Available at BetUS

Money in the Bank is one of the most highly anticipated **WWE live events** on the calendar, and for those who like to bet on WWE matches, BetUS has **Money in the Bank 2026 betting odds** on the entire card.

That's right, the men's ladder match featuring the favorite, **Bron Breaker**, along with his five competitors, including Penta, CM Punk, Trick Williams, Je'Von Evans, and Kevin Owens, each has accompanying odds to snatch the coveted briefcase from way up high and secure a title match at the time of their choosing.

BetUS also has odds on all six challengers in the women's ladder match, ranging from the oddsmaker's choice, **Roxanne Perez**, to Jacy Jayne, Lash Legend, Sol Ruca, Lola Vice, and Tiffany Stratton.

Although Stratton is the long shot, she did win this event in 2024, which subsequently propelled her to a successful title tilt with Nia Jax. Will history repeat itself, or will Roxanne Perez be worthy of her -350 favorite status?

But that's not all. A major showdown between Oba Femi and Bronson Reed - The Ruler vs. The Tribal Thief – will shake the rafters and position the winner as a possible title contender down the road. Women's champion Stephanie Vaquer will also be in action, defending her crown against Liv Morgan and Becky Lynch.

The stars will certainly be shining down on the bayou this Saturday night, and none will shine brighter than world heavyweight champion **Roman Reigns**, who will defend his WWE gold when he battles LA Knight in what is certain to be a thriller from start to finish.

BetUS understands the devotion wrestling fans have for their stars and the contempt they hold for the sport's heels. It's a never-ending parade of larger-than-life characters, and wrestling fans who want to make a wager have a site that carries all WWE events right here at BetUS.

There is nothing that makes a sporting match even more entertaining than an investment, and BetUS has been the undisputed online gaming leader for more than three decades. We not only offer odds but also have a section dedicated to **WWE news** so that wrestling fans can keep abreast of all the latest drama inside the squared circle.
