

BetUS Is Ready With Exclusive NFL Preseason Promotion

BetUS is renowned for its **sports betting promotions**, and there is no better time of the year than at the start of the preseason football season to kick things off with a bang with one of our **best sportsbook promotions** to date!

Are You Ready for Some Football?!

The wait is over, and preseason football is here! And to celebrate America's favorite sport, BetUS has announced one of the most generous **sportsbook promotions** in the industry. The NFL Preseason BetUS Promo has arrived, and we welcome our eligible customers to take advantage right away because this offer is for a limited time only.

When making a qualifying deposit of \$100 or more, eligible customers must type the word "*Preseason*" to trigger the bonus. The deposits must be made by either credit cards or cryptocurrency and can be redeemed multiple times during the promotional period. We know there is nothing better than to **bet with a bonus** and get anywhere from 100% to 125% on a deposited amount, and so do our customers.

We have already seen the Hall of Fame game, where the Carolina Panthers claimed a narrow win in the desert over the Arizona Cardinals. But there are three full exhibition weeks ahead before the games truly matter, and BetUS has **NFL preseason odds** on all of it.

However, this promotion can end at any time, so we urge everyone to take advantage as soon and as often as possible. Football is back, and it's time to celebrate with BetUS!
