

BetUS Officially Announces Odds for DWTS 2026

Turn up the lights, cue the camera, and get ready for plenty of action as Dancing with the Stars is back for Season 35, and it is replete with intriguing possibilities. And for those who want to invest in their opinions, **BetUS Sportsbook** has an entire section devoted to **entertainment betting odds**, which, of course, includes **DWTS**!

Dancing With the Stars Is Ready to Shine

Season 35 of Dancing with the Stars promises to be a fun-filled affair with glamorous women and dashing men strutting their stuff accompanied by equally striking professional dancers. It's a recipe that has viewers coming back for more season after season.

Reality TV fans will recognize some of this year's contestants, including Summer House star Ciara Miller; The Traitors Season 4 runner-up and Irish model Maura Higgins; The Rookie cast member Jenna Dewan; former Glee star and current member of Grey's Anatomy Harry Shum Jr., along with Jimmy Kimmel's sidekick, Guillermo Rodriguez. Those are just some of the stars teaming up with the most talented dance professionals in the industry.

Fans will not want to miss a moment when Season 35 premieres on September 15th at 8:00 PM ET on ABC and Disney+. But even before the first cha-cha-cha, BetUS is providing moneylines on all of the stars to win the coveted Len Goodman Mirrorball Trophy. Those who have asked **how to bet on DWTS** now have their answer because **Dancing with the Stars' latest odds** are already available at BetUS Sportsbook.

The lines will change as the season unfolds, with some of the stars dancing better than expected while some may fall short of expectations. Those peaks and valleys will be reflected in the **latest DWTS odds at BetUS**, which will be updated throughout the show.

As of this writing, our early expert picks show Jenna Dewan as one of the betting favorites, which is not surprising considering she began her career as a backup dancer for pop stars

like Janet Jackson, Christina Aguilera, and Pink, to name but a few.

The 45-year-old stunner is paired with DWTS veteran Val Chmerkovskiy, while three-time U.S. national figure skating champion Amber Glenn is also a co-favorite, as she will be heating up the dance floor with professional dancer and choreographer Pasha Pashkov.

If you have ever wondered how to **bet on entertainment**, it is as simple as betting on a baseball game; only this bet will continue as long as your choice remains in the competition. A \$100 bet on one of the favorites at +300 will win \$300, but betting on a long shot like Taylor Hanson, of the eponymous Hanson band, which spawned the 1997 earworm "MMMBop", will win \$4000 should he go on to upset the field.

BetUS is not only famous for its world-renowned sportsbook, but its expansive entertainment and novelty betting sections are rapidly growing in popularity with the latest odds on television, awards shows, and reality competitions.

Dancing with the Stars is only one of many entertainment betting opportunities available, and we welcome everyone to experience the BetUS difference for themselves.
