

Qatar Airways Signs Memorandum of Understanding with Priority Pass to Offer Beyond Business Members Enhanced Airport Lounge Benefits

Beyond Business members will soon be able to earn and redeem Qrewards at more than 1,900 airport lounges and travel experiences across the Priority Pass network

DOHA, Qatar – Qatar Airways has entered a Memorandum of Understanding with Priority Pass, the world's largest independent airport lounge and travel experiences programme, to offer enhanced value and rewards to business travellers through its Beyond Business corporate travel programme.

Beyond Business members will soon be able to redeem Qrewards for access to more than 1,900 airport lounges worldwide through the Priority Pass network. This offering significantly broadens the range of travel benefits available for corporate travellers flying across Qatar Airways' global network of more than 160 destinations.

This collaboration reflects growing demand from corporate travellers for greater flexibility, choice and premium experiences throughout their journey.

Designed to support companies of all sizes, the partnership reinforces a shared commitment to delivering customer-focused travel solutions that provide a greater flexibility, convenience, and value. Beyond Business members will be able to access premium airport experiences while benefitting from greater opportunities to earn and redeem Qrewards.

In addition, the agreement supports more efficient corporate travel management, helping organisations maximise the value of their business travel budgets while delivering a consistent, high-quality travel experience for employees worldwide.

Together, Qatar Airways and Priority Pass are expanding the value of the Beyond Business programme, giving corporate travellers access to a broader range of premium travel experiences while helping organisations maximise the return on business travel.

Beyond Business is Qatar Airways' dedicated corporate travel programme, helping organisations maximise value through tailored savings, flexible travel solutions, and the ability to earn Qrewards from business travel. Rewards can be redeemed for flights, upgrades, Privilege Club tier offers, and priority baggage, helping businesses get more from every journey.

Beyond Business members can enjoy free of charge, high-speed Wi-Fi on up to 323 Starlink-enabled daily flights and stay connected 35,000 feet in the skies.

About Qatar Airways

A multiple award-winning airline, Qatar Airways won the 'World's Best Airline' title for an unprecedented ninth time at the 2025 World Airline Awards, managed by the international air transport rating organisation, Skytrax. Qatar Airways was previously named the World's Best Airline in 2011, 2012, 2015, 2017, 2019, 2021, 2022, and 2024.

The airline continues to be synonymous with excellence, and has yet again received recognition for 'World's Best Business Class', and 'World's Best Business Class Airline Lounge'. As the leading connector in the region, Qatar Airways has also been lauded with the 'Best Airline in the Middle East' title for the 13th time.

Qatar Airways recently received the Platinum performance recognition by Cirium, the leading aviation analytics organisation, for its reliability and operational performance. The recognition is a testament to the airline's unwavering commitment to providing seamless and proven operations as part of its award-winning passenger experience.

This summer, Qatar Airways is flying to over 160 destinations worldwide, connecting through its Doha hub, Hamad International Airport. The airport has been recognised as the 'Best Airport in the Middle East' for 11 consecutive years, as well as 'World's Best Airport Shopping' for the third year in a row by Skytrax. Hamad International Airport has previously been named the 'World's Best Airport' by Skytrax in 2021, 2022, and 2024.

Qatar Airways was the first Airline in the Middle East to be certified to the highest level of IATA's Environmental Assessment (IEnvA) programme, based on recognised environmental management system principles (such as ISO 14001). As an inaugural signatory to the Buckingham Palace Declaration in March 2016, Qatar Airways became the first airline globally to be certified to the industry standard for the prevention of illegal wildlife trafficking in aviation.
