

Statement on low-pass freighter video

We are aware of a video circulating on social media depicting a freighter aircraft, in Qatar Airways livery, conducting a low-pass. The aircraft in the video is owned by a leasing company and not by Qatar Airways. The aircraft was undergoing a pre-delivery test flight prior to its planned entry into our cargo fleet. The flight was not operated by Qatar Airways and the pilots were not our personnel.

About Qatar Airways

A multiple award-winning airline, Qatar Airways won the 'World's Best Airline' title for an unprecedented ninth time at the 2025 World Airline Awards, managed by the international air transport rating organisation, Skytrax. Qatar Airways was previously named the World's Best Airline in 2011, 2012, 2015, 2017, 2019, 2021, 2022, and 2024.

The airline continues to be synonymous with excellence, and has yet again received recognition for 'World's Best Business Class', and 'World's Best Business Class Airline Lounge'. As the leading connector in the region, Qatar Airways has also been lauded with the 'Best Airline in the Middle East' title for the 13th time.

Qatar Airways recently received the Platinum performance recognition by Cirium, the leading aviation analytics organisation, for its reliability and operational performance. The recognition is a testament to the airline's unwavering commitment to providing seamless and proven operations as part of its award-winning passenger experience.

This summer, Qatar Airways will fly to over 160 destinations worldwide, connecting through its Doha hub, Hamad International Airport. The airport has been recognised as the 'Best Airport in the Middle East' for 11 consecutive years, as well as 'World's Best Airport Shopping' for the third year in a row by Skytrax. Hamad International Airport has previously been named the 'World's Best Airport' by Skytrax in 2021, 2022, and 2024.

Qatar Airways was the first Airline in the Middle East to be certified to the highest level of IATA's Environmental Assessment (IEnvA) programme, based on recognised environmental management system principles (such as ISO 14001). As an inaugural signatory to the Buckingham Palace Declaration in March 2016, Qatar Airways became the first airline globally to be certified to the industry standard for the prevention of illegal wildlife trafficking in aviation.
