For the fourth year in a row, Team Denmark emerged victorious at the Track World Championships - held this year in Shanghai - with a winning streak that stretches back to the 2023 introduction of the Speedmax CFR Track Bike.

Making its debut at the Glasgow UCI Cycling World Championships three years ago, the [Speedmax CFR Track bike](#) has shown that it is still a masterpiece of engineering and aerodynamics.

Since its introduction Team Denmark has taken the Speedmax CFR Track bike to the point of total domination in the Team Pursuit, winning gold in Glasgow in 2023, Ballerup in 2024, Santiago in 2025, and now, remarkably, in Shanghai too.

To illustrate their domination, Team Denmark - featuring Lasse Norman Leth, Carl-Frederik-Bévort, Frederik Madsen, and Rasmus Pedersen - completed the 4000-metre course in 3 minutes 40.865 seconds, almost five seconds faster than the second placed Italian team, giving the quartet yet another set of rainbow jerseys to add to their collections.
