

Ship Wrek Bio
Updated April 2023

Los Angeles-based duo Ship Wrek, composed of Tripp Churchill and Collin Maguire, came together in 2019 and have quickly become one of the most prolific production teams in the electronic music scene. Known for their unique and signature sound and their high energy DJ sets, the duo has released originals and remixes that have caught the attention of fans, press, and industry heavyweights alike. Ship Wrek has gained support from artists such as Skrillex, Dillon Francis, Diplo, Jauz, The Chainsmokers, DJ Snake, Chris Lake, Zedd, and Tiesto, all of which have played out their edits and music or collaborated with the duo. They recently released “The Fall” in collaboration with The Chainsmokers..
