Sober Sips: SIN at Avani+ Riverside Bangkok Redefines Rooftop Cocktails with New Zero-Proof Collection

[SIN](#), the recent addition to after-dark rooftop experiences at [Avani+ Riverside Bangkok Hotel](#), is an invitation to celebrate life's special moments with a toast overlooking the Chao Phraya River. Not to leave out sober revellers, SIN's award-winning Head Mixologist, Brian Gonzalez Fernandez, has crafted an inspired "Sober Sips" alcohol-free cocktail menu.

Executed with a mature dimensionality, Sober Sips are non-alcoholic versions of the rooftop bar's signature cocktails, each inspired by themes of sin and desire. Before moving to Bangkok, Brian worked in London and Madrid, where sugary mocktails have given way to polished, fully original creations that more than hold their own. Drawing on this experience, Brian uses natural, healthful ingredients for Sober Sips, ensuring guests can enjoy a sophisticated mixed drink sans

alcohol whether on a romantic night out or celebrating with friends. Priority is given to high-quality sober spirits and dealcoholised wines, like the sparkling French Bloom Le Blanc.

“What started as the Dry January movement has fuelled a drastic lifestyle change across all age groups, including millennials and Gen-Z. More and more people are choosing not to drink alcohol but still want to be part of the social experience,” said **Brian Gonzalez Fernandez**.

“With Sober Sips, I wanted to be able to give all our guests that exhilarating feeling of being part of something bigger than themselves, of connection and celebration.”

Brian treats each Sober Sip exactly as he would a normal cocktail – building layers, integrating ingredients and experimenting intensively to get the flavour profile and texture just right. From **Forbidden Nectar**, crafted with sober whiskey, miso, caramel yoghurt, and carrot, to **The Temptress**, a blend of sober gin, sober amaretto, raspberry, lemon, matcha, and foam, he uses special techniques, infusions and ingredient clarification to create alcohol free cocktails with unparalleled depth and complexity. Accompanying the cocktails is a curated menu of light, contemporary bites designed to pair perfectly with the drinks. Highlights include Gillardeau oysters, served with mignonette or topped with Hokkaido uni and wasabi mayonnaise, gourmet

sashimi, wagyu beef tartare made from Miyazaki A5 grade beef and the ever-popular katsu sando.

SIN is open Wednesday to Sunday, from 5:00 pm to 1:00 am. Reservations are essential. The dress code is smart casual, with covered shoes required. Ages 18+.
