Minor Hotels, one of the world's fastest-growing global hospitality groups, has further expanded its Australasian portfolio, announcing the signing of the management letting rights for the landmark Queens Wharf Residences development from early 2025, setting a new benchmark for urban tourism in Brisbane.

Queens Wharf Residences, the tallest tower within the iconic new world-class precinct Queen's Wharf Brisbane, is a 64-storey development that redefines the skyline of Queensland's capital and heralds a new era for Brisbane as a major tourism, leisure and entertainment destination.

The property features meticulously designed 1-, 2-, and 3-bedroom apartments with balconies and innovative winter gardens equipped with lift-and-tilt windows, allowing guests to embrace

Brisbane’s subtropical climate year-round. The organic elliptical form of the tower reflects the soft curves of the river while the edgeless, slender appearance draws the eye skywards.

Guests will have exclusive access to luxury amenities including a pool, spa, steam room, theatre, leisure lounge room, gym, as well as direct access to the precinct’s unique entertainment options, world class hotels and dining including Sokyo, Fat Noodle and Cherry, spectacular sky-high views from the Sky Deck, and a state-of-the-art Event Centre to the river city.

“Highly sought-after, Queen’s Wharf Residences has become Queensland’s fastest selling development, offering more than just a place to stay, but an unprecedented benchmark in urban tourism for Brisbane.” Commented Lauren Sheldon, Head of Sales and Marketing Australia for property developer Far East Consortium.

“The scale of this project demanded a management partner with unmatched expertise to offer the premium management guests of Queen’s Wharf Residences will expect, and Minor Hotels’ extensive experience in property management across Australasia and beyond instils us with confidence that they are the ideal partner to deliver on this promise.”

“We are excited to add such a landmark Brisbane development to our portfolio, offering a product unlike anything the city has seen before with respect to size and scale, and proximity to Brisbane CBD’s most exciting dining and entertainment precinct.” Commented Craig Hooley, Chief Operating Officer for Minor Hotels Australasia.

“Given our extensive experience managing over 550 properties globally, including 11 existing properties in Brisbane CBD, we are well-equipped to manage this pioneering development which further establishes Brisbane’s position on the world stage as a global destination for entertainment, leisure and tourism.”
