

Greenhouse Restaurant & Terrace Bar

Located on the seventh floor of [Avani Sukhumvit Bangkok Hotel](#), Greenhouse Restaurant & Terrace Bar is the hotel's all-day dining destination, welcoming hotel guests, local diners and business professionals. Overlooking Bangkok's skyline and directly connected to BTS On Nut Station (Exit 3), the restaurant serves contemporary Thai cuisine alongside international favourites in a relaxed setting designed for breakfast meetings, business lunches, family dining and evening gatherings.

Executive Chef Wannawat Inphu-nga leads the culinary team with a philosophy of showcasing familiar Thai flavours through contemporary techniques while respecting regional recipes and seasonal ingredients. The menu combines authentic local specialities with international comfort dishes, reflecting Bangkok's diverse dining culture and the hotel's neighbourhood setting in On Nut.

Among the restaurant's signature dishes are Tom Yum Goong, prepared with fresh river prawns and aromatic Thai herbs, and the house-made Deep Fried Puffed Rice with Coconut Ice-cream, which reinterprets one of Thailand's most recognisable flavours as a modern dessert. Seasonal menus and afternoon tea experiences complement the all-day dining offering, while the outdoor terrace provides panoramic Bangkok skyline views for guests throughout the day and into the evening.

Chef Wannawat Inphu-nga, Executive Chef, Avani Sukhumvit Bangkok Hotel reveals, *"Greenhouse Restaurant & Terrace Bar reflects the character of our neighbourhood by bringing together authentic Thai flavours, international influences and panoramic Bangkok skyline views in one dining experience.
