

## **Leisure Experiences at Anantara Retreat Santorini Abu Dhabi**

Anantara Retreat Santorini Abu Dhabi is a haven of tranquil luxury, where guests can escape to serene surroundings and immerse themselves in the peace and understated Greek elegance that define the retreat. While relaxation lies at the heart of this idyllic sanctuary, it also offers an impressive range of experiences for those seeking adventure, wellness or cultural discovery.

For those drawn to the sea, a selection of non-motorised watersports offers the perfect way to enjoy the Arabian Gulf's crystal-clear waters. Stand-up paddleboarding provides a calming yet active experience, while glass kayaking offers a unique perspective of the vibrant marine life below. Paddle Yoga combines the tranquillity of yoga with the challenge of balancing on a paddleboard, allowing guests to deepen their connection with both body and nature. Snorkelling invites guests to explore the underwater world, discovering colourful coral formations and marine life just steps from the retreat's shoreline.

Guests wishing to maintain their fitness routine can make use of the resort's fully equipped gym, featuring a variety of cardio and strength-training equipment. For a more leisurely evening, the luxury indoor cinema provides an intimate cinematic experience, complete with plush bed-style seating, gourmet snacks and nightly film screenings.

For a taste of local culture, guests can take part in an Arabic perfume-making workshop, creating their own bespoke fragrance using traditional ingredients and techniques. The resort also offers interactive mixology classes, where expert bartenders guide guests through the art of cocktail making, introducing new flavours, techniques and signature creations in a fun and engaging setting.

Guests can also discover authentic Thai cuisine through the renowned Spice Spoons cooking class, where they will learn to prepare traditional dishes using fresh ingredients and time-honoured recipes under the guidance of the resort's talented chefs.

Those seeking deeper relaxation can enjoy a selection of wellness experiences, including guided yoga sessions and restorative sound healing. Designed to promote mindfulness, balance and inner calm, these experiences provide the perfect complement to the retreat's peaceful atmosphere.

Whether seeking adventure, relaxation, wellness or cultural immersion, Anantara Retreat Santorini Abu Dhabi offers an exceptional collection of experiences, ensuring every stay is as enriching, memorable and personalised as each guest desires.
