

OVERVIEW RELEASE

NH COLLECTION DUBAI THE PALM BRINGS LIFESTYLE-CHIC HOSPITALITY TO PALM JUMEIRAH

Located on Palm West Beach, **NH Collection Dubai The Palm** is a contemporary lifestyle-chic hotel bringing together modern accommodation, rooftop leisure, dining and direct access to one of Dubai's most vibrant beachfront destinations.

The hotel features **526 rooms, suites and serviced apartments**, with accommodation designed for short stays, family escapes and extended stays. Guests can take in panoramic views from **View 180**, the hotel's rooftop infinity pool and restaurant, enjoy access to the hotel's dedicated resident beach along Palm West Beach, or explore a diverse collection of dining experiences across the property.

As the first NH Collection property in the Middle East, the hotel combines the brand's contemporary character with a strong sense of place inspired by Dubai. Its interiors incorporate playful references to local culture, colourful pop-art influences and design elements that reflect the energy and creativity of the city.

The experience extends beyond the hotel itself through the **“One Stay. Two Hotels.”** concept. As part of a unique two-hotel complex on Palm Jumeirah, NH Collection Dubai The Palm guests can also access selected leisure facilities at neighbouring Dukes The Palm Dubai Hotel, including its private beach, infinity pool and Aqua Lazy River. Both hotels are part of the Minor Hotels portfolio and retain their own distinctive identities while creating more choice within one stay.

Ahmad Shaban Fernandez, Cluster General Manager, said:

“NH Collection Dubai The Palm is about giving guests more ways to experience Dubai within one stay. From our lifestyle-chic identity and rooftop experiences to our location on Palm West Beach and the wider complex offering, the focus is always on creating choice, character and memorable guest experiences.»
