EXPERIENCE RELEASE

NH COLLECTION DUBAI THE PALM OFFERS MORE WAYS TO EXPERIENCE PALM JUMEIRAH

A stay at **NH Collection Dubai The Palm** goes beyond accommodation, bringing together rooftop leisure, Palm West Beach, family experiences and access to a wider two-hotel complex.

At the heart of the hotel is **View 180**, the rooftop infinity pool offering panoramic views across Palm Jumeirah and Dubai. Guests also enjoy access to the hotel's dedicated resident beach along Palm West Beach, placing the coastline just steps from the property.

Families are supported by a dedicated **Kids Club**, while guests looking to stay active can make use of the hotel's fitness centre. The hotel's colourful interiors also form part of the experience, incorporating pop-art, local references and playful design elements inspired by Dubai's culture and contemporary character.

The experience expands further through **“One Stay. Two Hotels.”** NH Collection Dubai The Palm and neighbouring Dukes The Palm Dubai Hotel form a unique hospitality complex within the Minor Hotels portfolio. NH Collection guests can access selected facilities next door, including Dukes The Palm's private beach, infinity pool and Aqua Lazy River, adding more leisure choices without changing hotels.

Ahmad Shaban Fernandez, Cluster General Manager, said:

“What makes this experience distinctive is the amount of choice guests have within such a compact destination. They can enjoy NH Collection Dubai The Palm's lifestyle-chic atmosphere and rooftop experiences, while having even more leisure facilities available just steps away.”
