## Avani+ Lanexang Vientiane Hotel Opens in the Heart of the Lao Capital

Avani Hotels & Resorts expands in Laos with a second address, as the 197-key hotel joins Avani+ Luang Prabang

Avani Hotels & Resorts has opened Avani+ Lanexang Vientiane Hotel, introducing the brand's premium lifestyle hospitality to the Lao capital. Set on Fa Ngum Road, overlooking Chao Anouvong Park and the Mekong River, the 197-key hotel offers a fresh base for business trips, city breaks and riverside stays in Vientiane.

The opening marks Avani's second hotel in Laos, following Avani+ Luang Prabang, and brings the brand's practical, upbeat approach to the country's capital. Designed for travellers who want comfort, flexibility and a sense of place, Avani+ Lanexang Vientiane Hotel combines smart

guestrooms, connected social spaces, relaxed dining, wellness facilities and meetings and events spaces designed for both local and international guests.

Guestrooms and suites range from Deluxe Rooms to a Presidential Suite, with layouts that support both work and downtime. Clean lines, efficient space planning and warm contemporary details reflect Avani's easy-going style, creating a stay that feels polished without being overcomplicated.

The hotel is opening in phases, with a curated selection of rooms, dining, leisure and meeting facilities available from launch. Additional venues and services will be introduced progressively in the months ahead.

Dining will play a central role in the hotel experience, with four venues launching in stages. Mekong Mosaic, opening on 1 July 2026, is the hotel's all-day dining restaurant, serving international comfort cuisine alongside Lao-inspired dishes, live cooking stations, wellness-focused options and flexible formats including in-room and poolside dining. Sabaidee Social will follow in Q3 2026, bringing a Mediterranean-inspired tapas and bar concept to Vientiane, with casual dining, drinks and live entertainment. The Pantry will offer a relaxed café and co-working space, serving specialty coffee, bakery items, desserts and grab-and-go options throughout the day. Salongxay, scheduled to open in Q4 2026, will present a refined Thai-Lao dining experience, with contemporary takes on traditional recipes, a strong wine programme and an intimate setting for dinners and special occasions.

Wellness facilities are also being introduced in phases. During the first stage of opening, guests can access the outdoor swimming pool and fitness facilities. AvaniSpa and expanded wellness experiences will be added as the hotel moves toward its full launch, bringing Avani's balanced approach to wellbeing to the centre of Vientiane.

Avani+ Lanexang Vientiane Hotel is set to become a key address for meetings, events and celebrations in the capital. Lanexang Hall can accommodate up to 320 guests, supported by additional meeting rooms and outdoor event spaces. Select event facilities are available during the first phase of opening, with the full meetings and events offering to be introduced progressively.

Guests can also tap into curated local experiences and personalised concierge services, connecting them with Vientiane's cultural heritage, riverside lifestyle and evolving urban scene. The hotel supports Avani's sustainability ethos through the use of locally sourced ingredients, support for local producers and artisans, seasonal menus, the reduction of single-use plastics where possible and thoughtful operational practices.

Room rates start from USD 130 per room, per night, including breakfast, taxes and fees.
