Featuring soundtracks from movies such as Love Actually, Titanic and La La Land as well as other romantic melodies, this live, multi-sensory musical experience promises an unforgettable evening

Ireland, January 10th 2024 - [Fever's](#) Candlelight concert series are bringing special Valentine's Day shows to Dublin, Limerick, Cork and Galway.

From the 14th to the 17th of February, St Andrew's Parish Church in Dublin, Saint Nicholas' Collegiate Church in Galway, The Chapel at Griffith College Cork and Saint Mary's Cathedral in Limerick will be illuminated by thousands of candles, inviting viewers to fully immerse themselves in themed musical programs featuring soundtracks from movies such as Love Actually, Titanic and La La Land as well as other romantic melodies.

Played by a local string quartet, the show invites guests to share an intimate and unforgettable moment and express the love through music.

Candlelight Concerts are a series of original music concerts created by Fever aimed at democratizing the access to classical music. This innovative format represents a unique live musical experience through a varied offer of programs to meet all tastes, played by local musicians, in emblematic venues, with the space and performers illuminated by thousands of candles.

Candlelight was initially conceived as a classical music series with concerts featuring works from the greatest composers, such as Vivaldi, Mozart, and Chopin. Now, the ever-growing list of programs includes a wide variety of themes and genres, including tributes to contemporary artists like Queen, ABBA, Coldplay, and Ed Sheeran, as well as shows dedicated to anime, movie soundtracks and many more. This multi-sensory experience has also evolved to feature different elements, such as ballet dancers or aerial performers, as well as other genres, such as jazz, soul, opera, flamenco and more.
