### ***The hotel***

The [NH Collection Andorra Palomé](#) is located in an enclave surrounded by nature, beside the Vallnord ski station and Valles de Comapedrosa nature park and just 20 kilometres from the capital city, Andorra La Vella. This boutique hotel is perched some 1,751 metres above sea level but is nevertheless readily accessible. It provides its guests with unbelievable panoramic views of Andorra's northern valleys. The hotel occupies a building that used to be a sawmill. Its interior décor teams modern finishes with traditional touches, notably including stone walls, fire-side sofas and panelled wood flooring.

It is a quiet and casual destination for those looking for a nature getaway with myriad options for mountain and sports adventures, including spectacular skiing in the Pyrenees, forest trekking or fishing trips. And for those who would like to enjoy the snowy landscape without necessarily skiing, there are jet ski routes and snow-shoeing expeditions.

NH Collection Andorra Palomé was recognized as the 'Best Ski Boutique Hotel in Andorra' in 2023 and 2024 at the World Ski Awards, the most prestigious annual awards in ski tourism and the equivalent of the Oscars in the ski world.

### ***Services and facilities***

With its 34 rooms spread over five storeys, this boutique hotel guarantees personalised service. Characterised by modern and minimalist decoration, all the rooms share envy-worthy views of the mountains, river and forest. Guests can choose from regular double rooms and interconnected rooms, cosy double suites with balconies and the exclusive presidential suite with a kitchen and eating area, along with two private balconies.

In addition, the **NH Collection Andorra Palomé** provides a series of first-class services and amenities designed to ensure guests enjoy a carefree stay: parking, space to store bikes and ski equipment and wellness and fitness areas, including a fully equipped gym and massage room for de-stressing.

### ***Food and drink***

The hotel's restaurant is called Émo and offers a dining experience based on traditional recipes that use local and seasonal products, coupled with a fantastic selection of a-la-carte international dishes. Émobar, meanwhile, provides a wide range of sharing dishes and has an outdoor terrace. And when guests want to wind down, the hotel lounge bar is the ideal place for a drink while taking in the incredible views. Another option is a cocktail in the hotel's idyllic garden surrounded by nature.
