The hotel

The [NH Collection Madrid Colón](#) is an elegant hotel located in the heart of Madrid's exclusive Salamanca district, famous for its 'golden mile' of shopping and trendy restaurants. It offers the perfect combination of modern comfort and classic sophistication in the heart of Spain's capital city.

Build in the 1950s by the renowned architect, Luis Gutiérrez-Soto, the building's hallmark is its rationalist architecture. In addition to that heritage, the hotel offers an unbeatable location, just a few steps from Madrid's luxury boutiques, most important museums and the Retiro Park.

Services and facilities

Its 146 rooms are spacious and quiet: their décor is functional and they have wooden floors. Some have views over the emblematic Colón Square, so providing a uniquely restful experience right in the city centre. There are adjoining rooms for families.

The hotel offers numerous services and facilities to enrich its guests' stay. For example, a fully-equipped gym, located on the top floor, offering panoramic views while working out. To cool down and unwind during the heat of the summer, there is an open-air pool on the hotel's fourth floor.

Food and drink

NH Collection Madrid Colón is home to 99 Sushi Bar, which is *the* place to go in Spain for haute Japanese cuisine. 99 Sushi Bar offers quality and innovative Japanese cuisine fused with other gastronomic heritages, while respecting the hallmark traditional products and techniques of Asian cooking. A place to be carried away by your senses to the Far East....

99 Sushi Bar offers an extensive range of sushi, sashimi, tempuras and other Japanese dishes, all of which are prepared on the spot by expert chefs, guaranteeing an exclusive gastronomic experience in the heart of the capital.

For a signature cocktail after a special dinner, the best option is the hotel bar, which is also a great place to stop for Mediterranean dishes in pleasant surroundings.

And to get the day off to a good start, the buffet breakfast offers a wide variety of fresh products designed to please every palate, including a broad selection of pastries, freshly-squeezed juices, cold meats, cheese, fruit and breads. Guests can also order their favourite hot dishes and if they have to get up early, they can request an early-bird breakfast at reception.

Meetings and events

The NH Collection Madrid Colón is also an ideal place for hosting a wide variety of events, from business meetings to personal celebrations. It has eight multi-purpose function rooms, equipped with all the latest technology, with capacity to accommodate up to 150 people. Located on an exclusive floor, these rooms are sufficiently flexible to cater to all kinds of events. The hotel also provides clients with the option of designing personalised menus for each occasion, which can run from finger food and cocktail receptions to formal dinners, so ensuring a memorable experience for all participants.
