

## Media kit - NH Collection Sevilla

### *The hotel*

**NH Collection Sevilla**, previously known as NH Central Convenciones, is a hotel that enjoys a privileged position in the financial and business district of Seville. In addition to being the perfect hotel for business trips, its location also allows the possibility of sightseeing, since the historic center of the city is just two metro stops away or a 15-minute walk away. In this way, just a short walk away you can visit some key points of the city such as the emblematic Plaza de España, María Luisa Park or the Santa Cruz neighborhood.

In its surroundings, guests can also find a shopping and leisure area, where the Nervión Plaza and El Corte Inglés shopping centers stand out, as well as cinemas, bars and restaurants. It also has direct access to the SE-30 ring road and less than ten minutes from the Santa Justa train station, which makes getting around the city couldn't be easier.

### *Services & Facilities*

NH Collection Sevilla has recently renovated the lobby and its rooms, thus creating a modern, elegant hotel with details integrated into the decoration that show the city's culture. In the 252 rooms, modern furniture, wooden floors and an attractive combination of beige and chocolate colors merge, thus creating an atmosphere of absolute comfort. Among the luxurious extras that can be enjoyed are a rain shower, a pillow menu and a coffee maker. To all of the above, we add a 40 or 47-inch television and free Wi-Fi, as well as some of these rooms have panoramic views of Seville. The hotel offers several room categories to choose from, such as Superiors, Junior Suites and Premium rooms, which can accommodate a cot.

In addition, guests have at their disposal a series of first-rate services and amenities that invite them to enjoy the experience without worries, such as parking, air conditioning or climate control, a fully equipped gym, an outdoor pool in which to enjoy a good bathroom in a distinguished environment. In addition, it is an accessible hotel and allows dogs and cats.

### *Gastronomic offer*

The hotel has a high-quality gastronomic proposal, which it offers to its guests throughout the day. To start the day in a healthy and balanced way, guests have at their disposal the buffet breakfast that is prepared fresh every morning. The buffet breakfast includes a wide selection of natural juices, pastries, cold cuts, cheeses, fruit, yogurts and breads, among other things. There is also an Andalusian corner featuring regional breakfast favorites and a Fresh Corner, where to create a personalized vitamin packed juice, smoothie or milkshake, choose their favorite fruits, juices or toppings, place them in a container and give it to one of the waiters who will prepare it for them straightaway. Additionally, guests can request hot dishes made to order and, if needed, ask reception about the availability of an earlybird breakfast.

For lunch and dinner, the a la carte menu revolves around Mediterranean cuisine and local dishes. The restaurant provides a modern and elegant atmosphere for up to 200 diners. The terrace, located near the swimming pool, is perfect for unwinding with a drink or dinner al fresco while enjoying Seville's warm evenings. Finally, the bar completes an excellent gastronomic experience; a contemporary venue, with comfortable, dove-grey sofas and emerald-green soft furnishings with a great range of wine, beers and spirits, it serves meals and snacks. And there are TVs showing live sport.

### ***Meetings & Events***

NH Collection Sevilla has 11 function rooms with space for up to 1,400 guests. All the rooms come with natural daylight and provide state-of-the-art technology including 5 translation booths. The hotel has a team of dedicated events coordinators, including a wedding planner that will take care of all the details – from food and drink to specialist services like translators and transfers, even city tours. Additionally, a menu can be arranged for any type of event, whether it be a seminar, business event, wedding, gala, or special celebration.

Our hotel offers a wide range of facilities, including Reiter System movable walls, soundproofing, dimmable lights, four interpreter booths, automated audiovisual controls in all the function rooms, various electrical setups, video conferencing via ISDN outlets, overhead projectors, screens, DVD and CCD cameras, voice and data ports, cordless and table microphones, and more -- with ample equipment for any state-of-the-art event. The Gran Salon Andalucia function room on the main floor allows for various custom configurations: it can be divided into five separate soundproof rooms with different types of lighting, or utilized as one large, open-plan venue. Spaciousness, natural light and the almost eight-metre-high ceilings guarantee impressive surroundings.
