Media Kit - NH Collection Roma Palazzo Cinquecento

Hotel

Located in the heart of Rome, just a few steps from Termini Station, **NH Collection Roma Palazzo Cinquecento** is an elegant five-star hotel set in the namesake square. Housed in an early 20th-century building in Art Nouveau style, it enjoys a privileged position within walking distance of Piazza della Repubblica, the Opera House, Palazzo delle Esposizioni and many iconic landmarks — including the Trevi Fountain, the Colosseum and the Basilica of Santa Maria Maggiore — making it the ideal starting point to discover the Eternal City.

Services and facilities

NH COLLECTION
ROMA • PALAZZO CINQUECENTO

NH Collection Roma Palazzo Cinquecento is set within a historic building that once housed the headquarters of Italy's railway and postal services. A fine example of early 20th-century architecture, the building features exquisite Liberty-style details and a captivating spiral staircase embellished with geometric motifs, stretching across five floors. Its timeless charm is complemented by refined interior design, combining elegance and functionality with a contemporary flair.

The hotel boasts a private garden, an oasis of peace where guests can admire the remains of the Servian Walls, ancient Roman fortifications dating back to the 6th century. To enhance the experience, a spectacular 600-square-metre panoramic rooftop terrace offers breathtaking views over Rome's rooftops and landmarks - a perfect setting for sunset aperitifs, private events, or a peaceful break from the city.

With 177 spacious and welcoming rooms, the hotel offers various categories tailored to both leisure and business travellers, from Superior rooms to Junior Suites and exclusive Suites. The rooms are elegantly decorated in warm tones of rose and grey, and equipped with cutting-edge technology. Many of them overlook the hotel's private garden, offering glimpses of the ancient Roman walls. The guest experience is further enriched by a fully equipped fitness area.

Gastronomy

Located on the ground floor, the **Grand Tour** restaurant offers a sensory journey through the flavours of Roman cuisine, reinterpreted with a contemporary twist. It's a culinary experience that awakens the palate and evokes the charm of tradition with a fresh perspective. The rich breakfast offering allows guests to start their day in a healthy and balanced way. The hotel also features two cocktail bars, ideal spots to enjoy a drink at the end of the day. Each space is elegantly decorated with artistic references to Roman icons such as the Colosseum and the Palazzo della Civiltà Italiana, the monumental EUR building created for the 1942 Universal Exposition. Sophisticated design elements create a refined and relaxing atmosphere throughout.

Meeting and events

NH Collection Roma Palazzo Cinquecento features four multifunctional meeting rooms and two executive boardrooms, all equipped with natural daylight. These versatile spaces are ideal for a variety of gatherings, from intimate business meetings and corporate training sessions to gala dinners and private celebrations. Each room is equipped with modern audio systems and the latest technology.

The panoramic rooftop terrace on the fifth floor can be transformed into a unique setting for exclusive cocktail parties, fashion shows, or live performances, offering unforgettable views over the Roman skyline.
