Europe's first music hotel

nhow is music. nhow is rock 'n' roll. We offer our guests two professional recording studios with top-end professional equipment. The studios are located on the 8th floor, in the crane-like Upper Tower of the building 'suspended' 36 meters above the banks of the Spree. With breathtaking views over the river and Berlin, this is an inspiring location for recording and post-production and also team-building events, interviews and record release parties. This is the ideal setting for creativity and productivity.

Lobby Loco

Berlin's most Musical Late-Night Show

Every first Saturday of the month, the lobby of nhow Berlin turns into a stage for music, entertainment and surprises. Live acts, interviews, games and pure energy - hosted by Music Manager Dominik Trampf. Drop in or book a VIP table: free entry, good vibes guaranteed.

BPM bar

The BPM Bar - Beats per Minute. Is the evening hotspot at nhow Berlin. Creative cocktails meet club vibes, laid-back lounge flair, and a soundscape that keeps evolving. Perfect for after-work drinks, casual meet-ups or winding down after an event - with river views and music in the mix.
